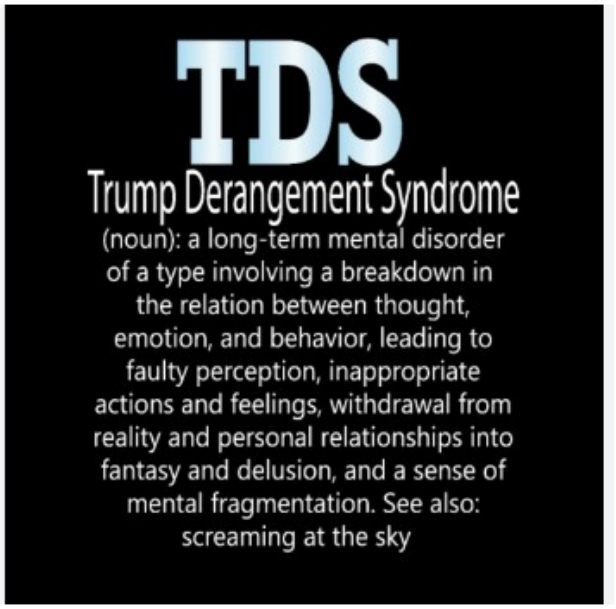
TRUMP
DERANGEMENT

We cannot trust people with TDS because their thoughts and ideologies are NOT RATIONAL. Their hatred for Trump is so out of proportion with reality that they have lost their ability to tap into their GOD GIVEN COMMON SENSE. They are adult children having run on "STINKING THINKING" EPOSODES and TEMPER TANTRUMS or what some people refer to as verbal diarrhea (see picture below).

People do not want to listen to or communicate with people who have TDS because of the outrageous ludicrous comments they make and because their hate and obsessive-compulsive comments become a broken record of misinformation, disinformation and lies.



TDS
Trump Derangement Syndrome
(noun): a long-term mental disorder of a type involving a breakdown in the relation between thought, emotion, and behavior, leading to faulty perception, inappropriate actions and feelings, withdrawal from reality and personal relationships into fantasy and delusion, and a sense of mental fragmentation. People with TDS do not have the ability to turn off their hate or venomous remarks that play out like an unending BROKEN RECORD.
